They were the two most active participants in all school events, involved in many clubs and student council, which ultimately contributed to the community building. Most importantly, their hard work has finally paid off!  
Good job students. You made us proud.

## IELTS testing: January 13th, 2024

Urban International School is proud to announce that we hosted another IELTS examination during the month of January. Students wrote their IELTS examination in the comfort and familiarity of their own school campus as UIS is an official IELTS testing center!

Our IELTS exam is reserved exclusively for UIS students as we welcome official IELTS examiners to UIS in the month of January.

## **OUAC race begins: January 15th, 2024**

OUAC application deadline is here. Now that the applications go in, students need to focus on getting the rest of their credentials completed. They are all reminded that they need the top 6 Grade 12 courses, as well as their IELTS scores to meet the application conditions.

Do note, IELTS deadline is April 1st and the offers will roll out until the end of May.

Also, if you haven't yet submitted the applications, or you want to add more program choices, you can still do so, if the program is still open for application!

Talk to your counselor for extra assistance if you are late on your submission!!

Good luck UIS Grade 12 students. You are officially in the race to win!
