Another Jaw-dropping Scholarships!

Good news just keeps rolling in this year! After the two \$100,000 scholarships in January, another one of our students received another \$100,000 scholarship from UofT! This is amounting to \$300,000 Scholarship from UofT alone!!! Carmen, our third UofT Scholarship student has a received \$100,000 scholarship from UofT. She is an excellent student helper who actively help out other students academically. Excellent work UIS, your hard work is finally paying off!

Orientation

We welcome all new students to Urban International School who are joining us for our February semester. The UIS community recently hosted our February semester orientation where new students gathered together for a warm introduction and school campus tour.

The February orientation kicks off the start of a new and exciting term here at UIS! Orientation is where students get informed about school rules and policies, while also getting a warm introduction from our staff and students ambassadors.

Be the North UIS

Gear up for the Urban International School Basketball Tournament. Brace yourself for intense plays, jaw-dropping moments, and unforgettable highlights. Join us on the 27th, 28th, and 29th of February for some fierce competition, teamwork skills, and the joy of basketball. Save the date and be part of the excitement. It's not just a game; it's an unforgettable experience!

UW Math Contest for Gr 10 & 11

Best of luck to our talented students at Urban International School taking on the challenge of the University of Waterloo's CEMC Math Competition! UIS students from Grades 10 and 11 will be competing with students nationwide in this competitive math competition.

We wish our competing students the best of luck this month as they have been vigorously training for this event since September in our Math Elite class. Best of luck to UIS' grade 10 and 11 students who will be competing in the University of Waterloo's CEMC math competition.
