## **Celebrating Victory After the UIS Basketball Tournament!**

Last week, Urban International School witnessed an exhilarating display of skill and sportsmanship as four dynamic teams fiercely competed in our exceptional basketball tournament. From February 27th to the 29th, the court was ablaze with talent and determination, creating unforgettable moments for our school community.

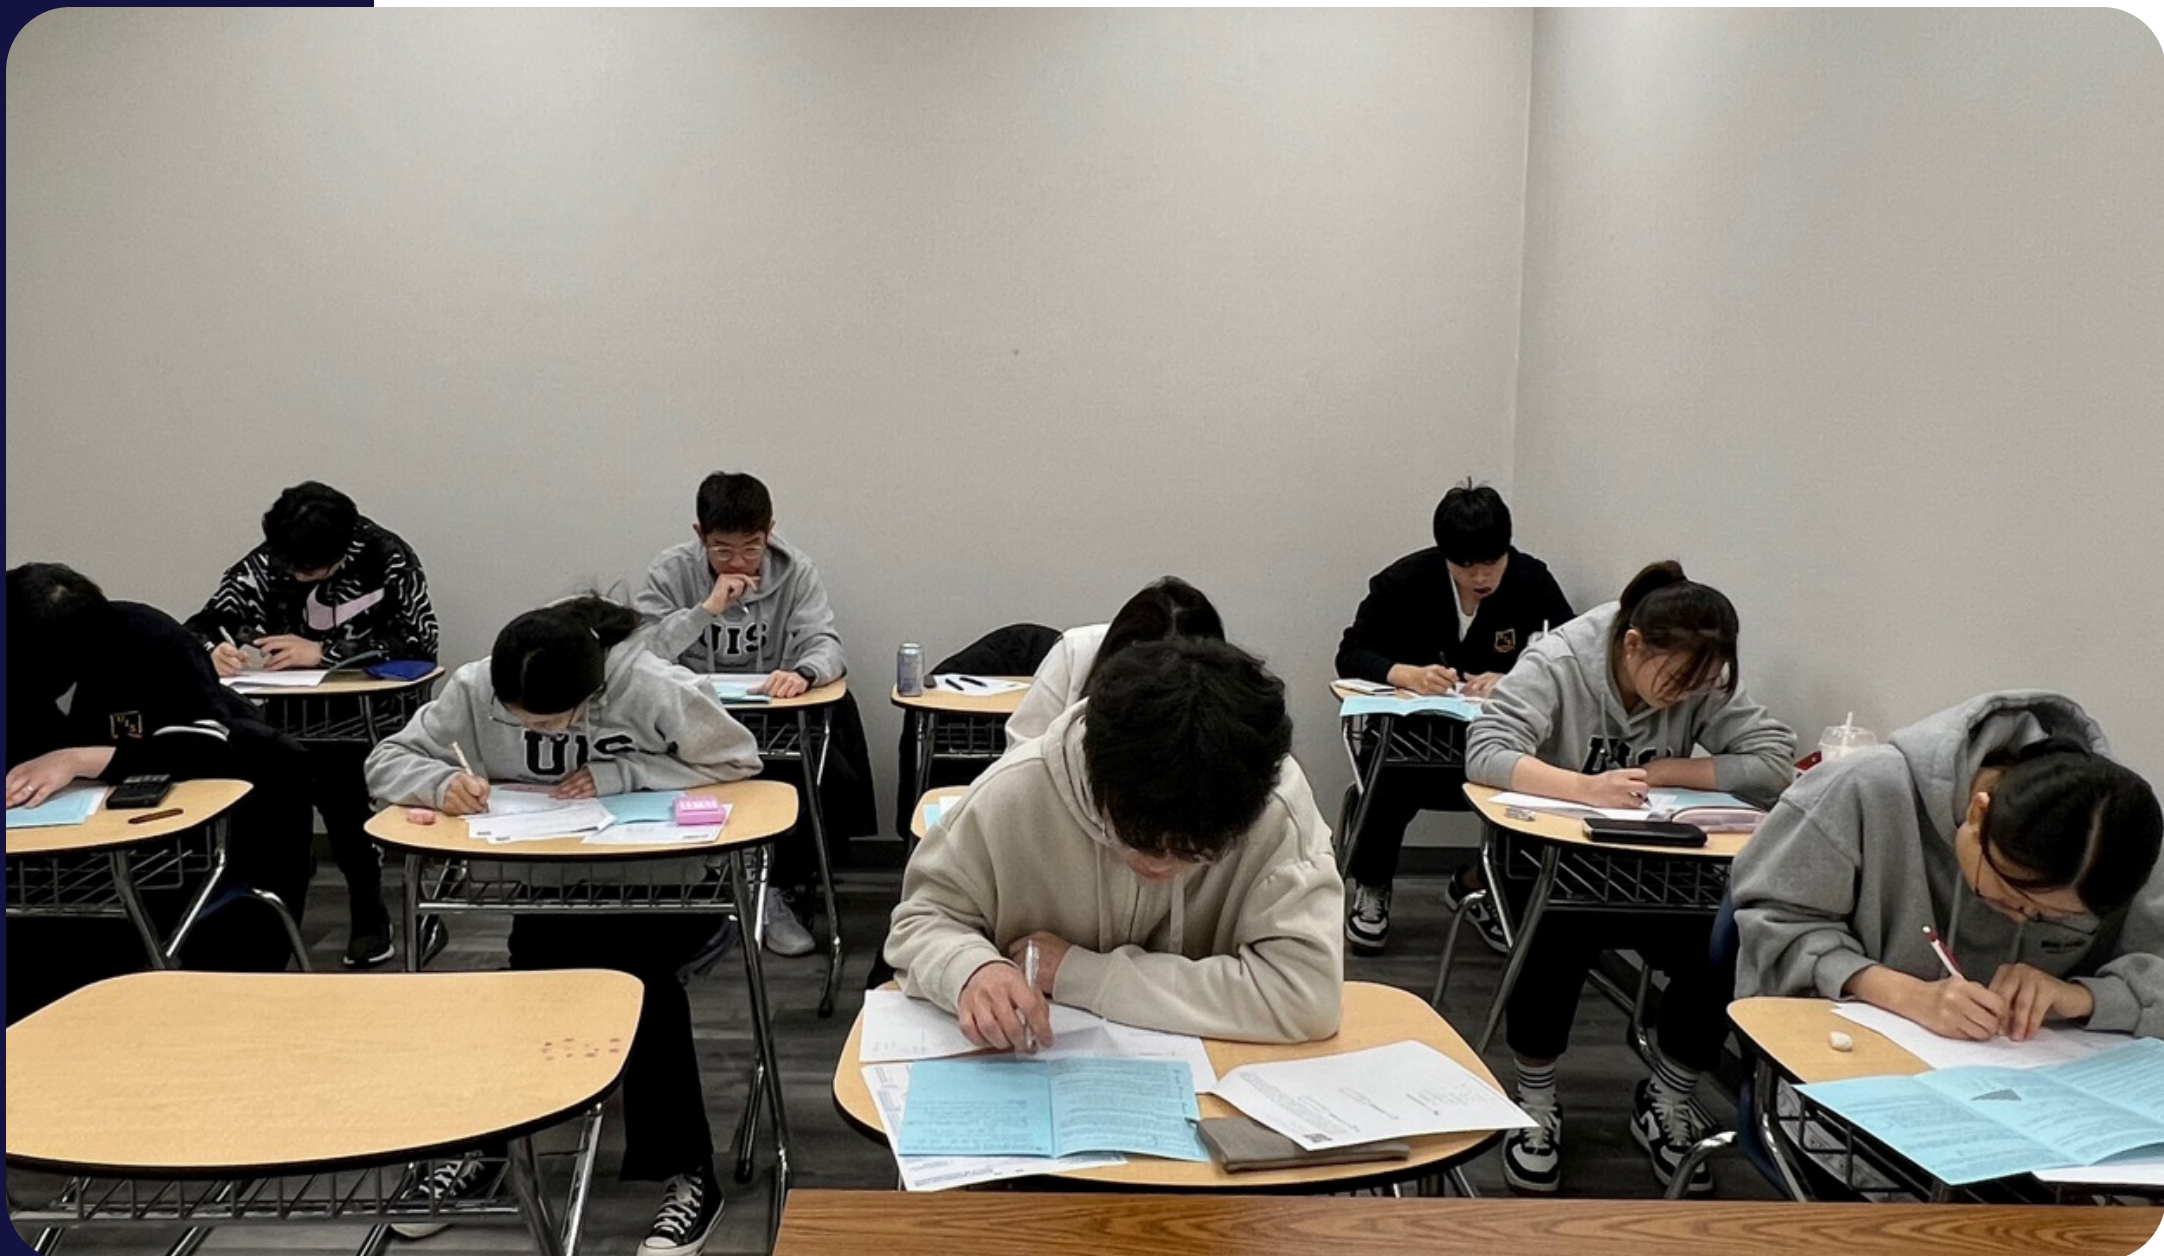

Congratulations to Team Justin, whose relentless effort and outstanding teamwork propelled them to victory after three days of intense competition! Team Justin was awarded with a pizza party to celebrate their victory! Your triumph is not just a win for the team, but a testament to the spirit of excellence that defines UIS athletics.

We extend our appreciation to all teams for their spirited participation, creating an atmosphere of camaraderie and healthy competition. These memorable days showcased the values of discipline, teamwork, and passion that define our school community. We thank our students for representing our vibrant community, where achievements are celebrated, and memories are made!

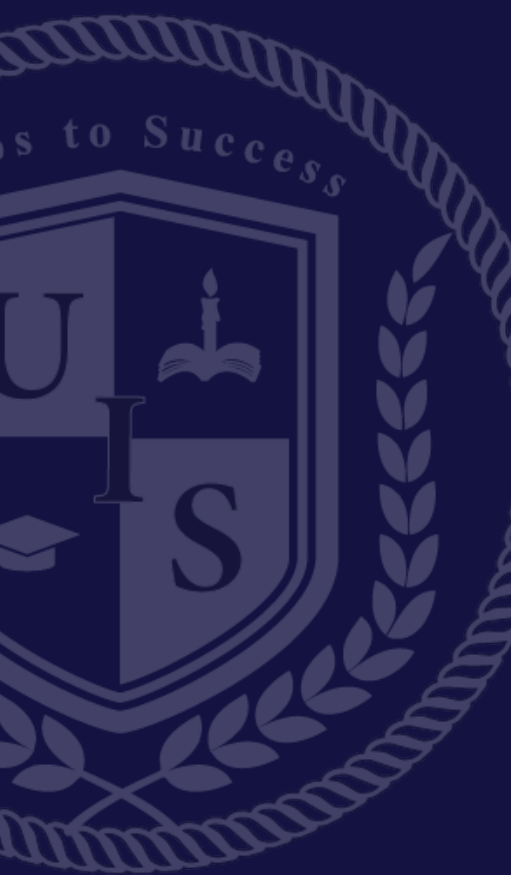

## **UIS Shines Bright:**

Celebrating Academic Triumphs in International Math and Biology Contests!

We are delighted to share the outstanding achievements of our bright students who recently participated in prestigious international competitions, showcasing their remarkable academic prowess. In the realm of mathematics, our students fearlessly took on the challenges presented by the University of Waterloo's (UW) Cayley and Fermat Math Contests.

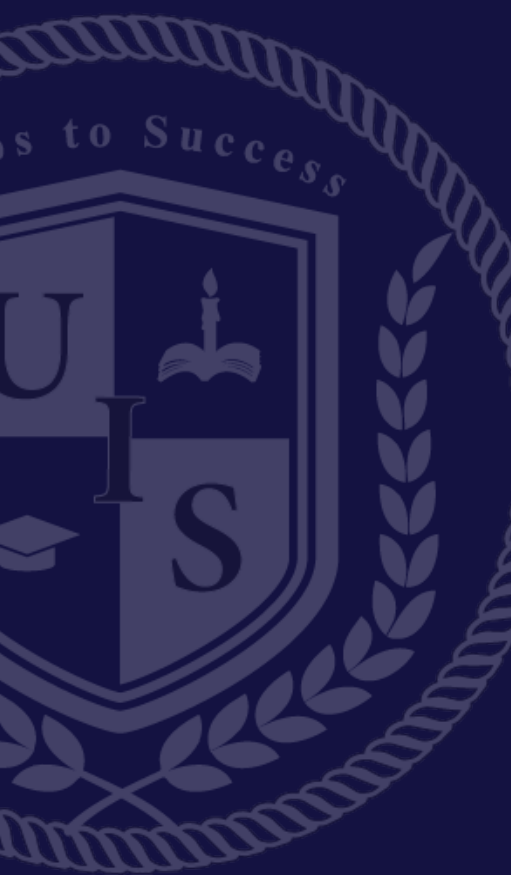

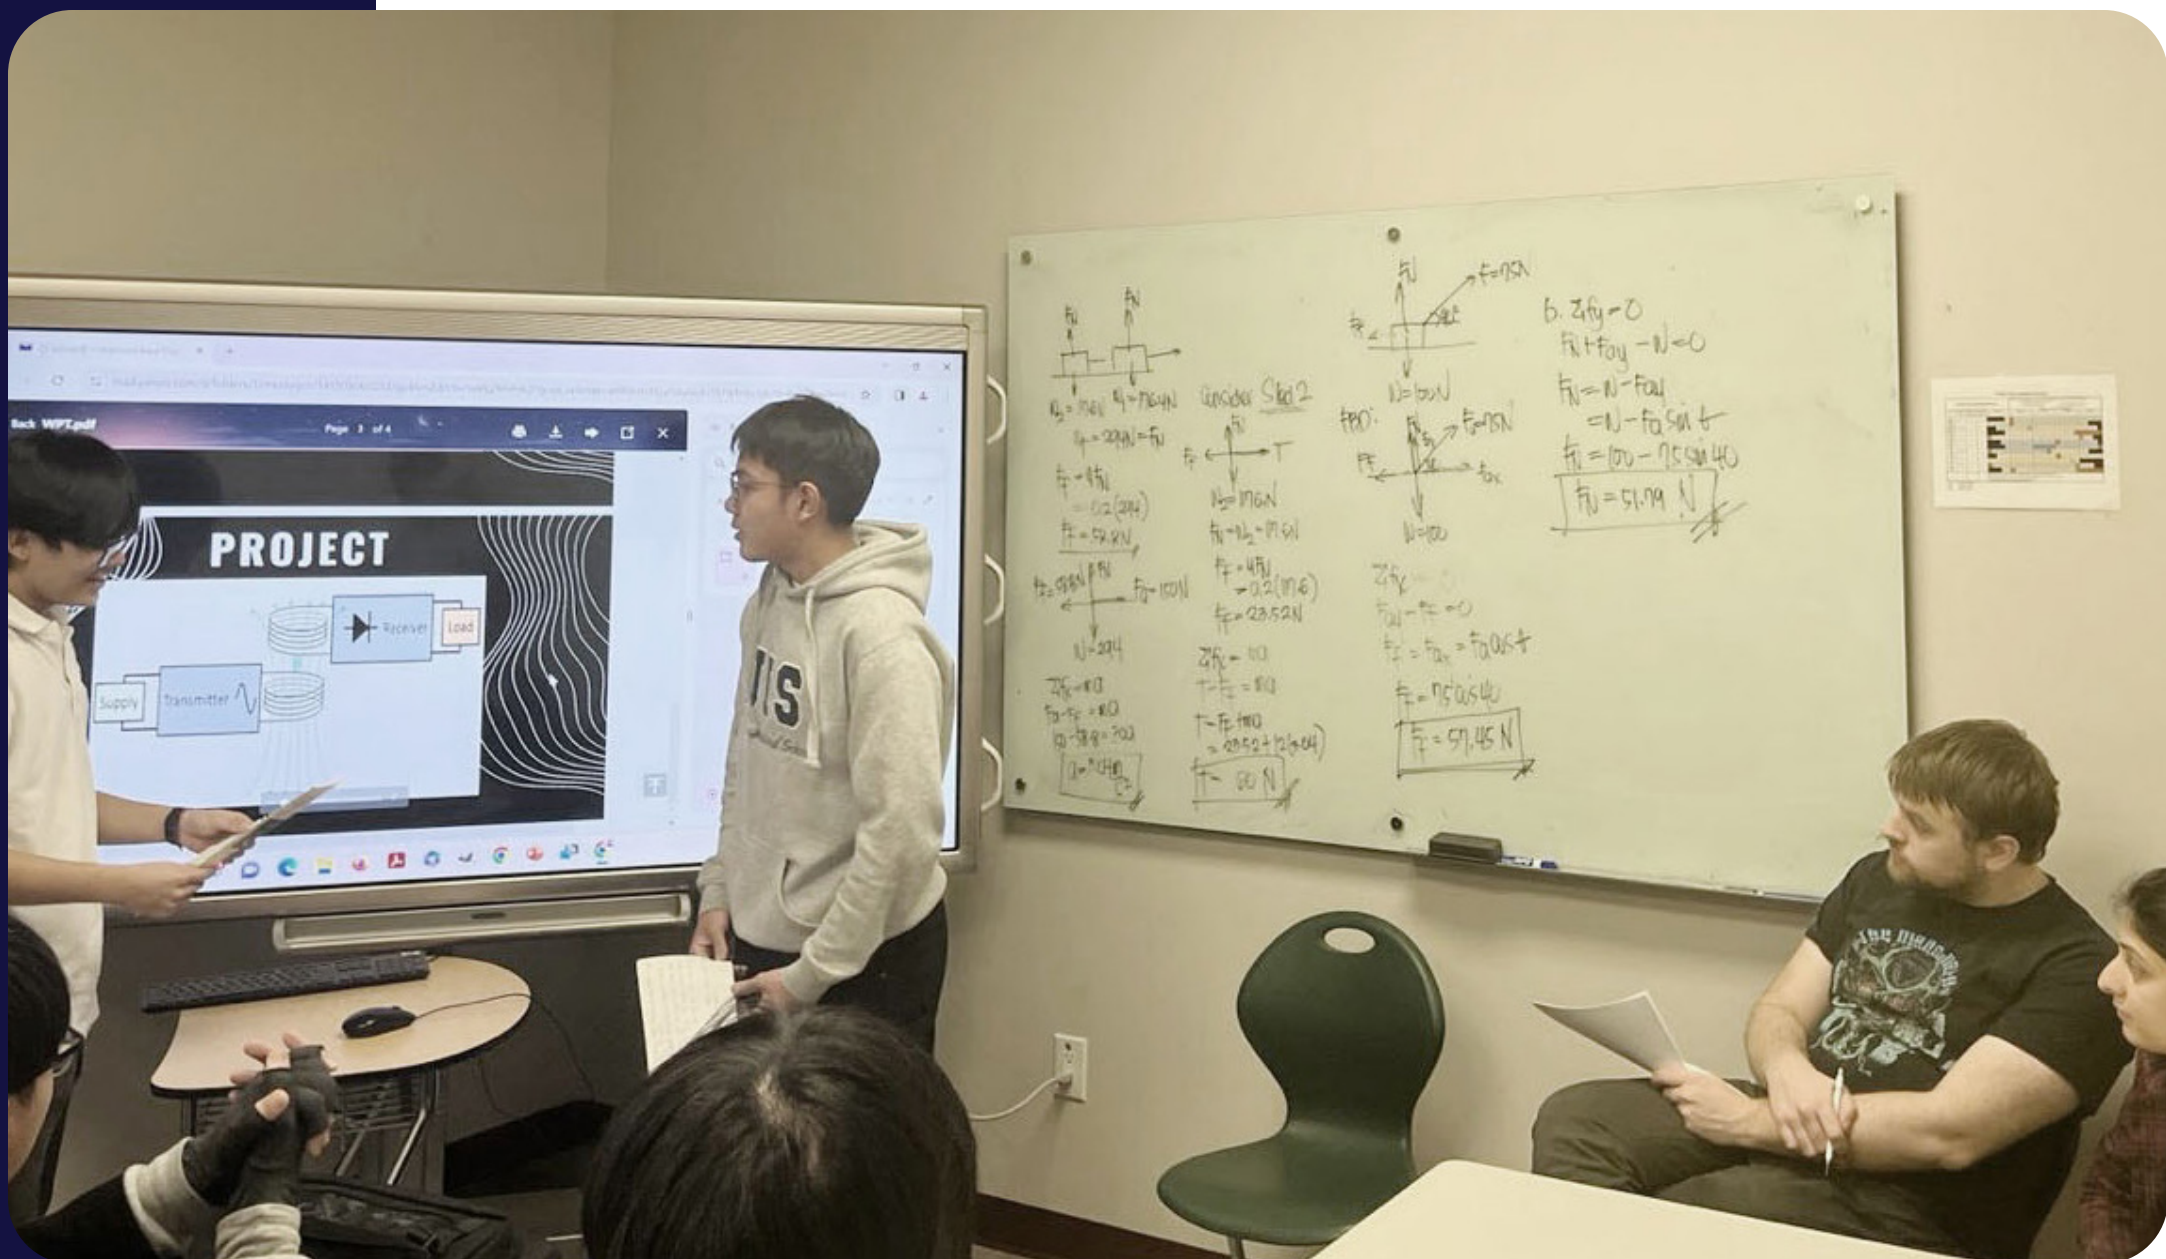

The enthusiasm and dedication demonstrated during these competitions truly reflect the spirit of inquiry and passion for learning that defines UIS. Our “mathletes” eagerly await the results of the UW Math Contest, and we want to extend our heartfelt congratulations to each participant for their hard work and commitment. Your efforts not only reflect your individual dedication but also contribute to the vibrant academic culture here at UIS.

Turning our attention to the field of life sciences, our students proved their skills in the UK Biology Contest held on January 27th. We are thrilled to announce that the results, received just last week, were nothing short of impressive. The exemplary scores achieved in the biology contest highlight the depth of knowledge, critical thinking, and scientific curiosity fostered within the walls of UIS.

These accomplishments are a testament to the exceptional talent and dedication of our students, as well as the guidance and support provided by our committed guidance and academic teams. At UIS, we take pride in nurturing not only academic excellence, but also, a love for learning that extends beyond the classroom.

As we celebrate these achievements, we invite the UIS community to join us in applauding the accomplishments of our students. These successes underscore our commitment to providing a world-class education that prepares our students for the challenges of tomorrow. Congratulations to all participants, and may these achievements inspire continued academic excellence at Urban International School!
